

International guests at Australasian Aquaculture Conference 2010

Come and meet our four Seafood CRC sponsored international guests in the Seafood CRC Conference Lounge at AA2010:

Peter Redmond Direct from Arizona, USA - Former, senior buyer and merchandising manager of Wal-Mart, an American chain of large, discount department stores, and former Commercial Manager of ASDA, a British supermarket chain which retails food, clothing, toys and general merchandise.

Jim Anderson Direct from Rhode Island, USA – A University of Rhode Island Professor with a love for economic analysis of natural resource policy and management; fisheries and aquaculture; seafood markets and international trade; quantitative methods; and dynamic models.

Bjerne Gjerne Direct from Ås, Norway - A Professor and Principle Research Scientist with Nofima Marine (Institute of Aquaculture and Fisheries Research).

Kari Kolstod Direct from Ås, Norway - Leader of Genetics and Breeding at Nofima Marine.
